Double Station 84"W - 37382

Single Station 60"W - 37383

The Esports Shoutcaster Station is the ultimate command center for gaming competitions! Ample configurations provide the ideal media station to capture the attention of your audience. Multiple monitor mounting options are available including monitor arms, recessed monitors, or audience-facing screens to customize your station for optimal performance. The Esports Shoutcaster Station is available in two sizes and has ample space for mixers, keyboards, stream decks or whatever technology it takes to stay on top of the game. Couple that with exciting color options and smooth movement casters, and you can take the strength and energy of your team anywhere! With "Made In The USA" quality built in Chippewa Falls, WI; Spectrum Esports Shoutcaster / Broadcast Station offers effective ergonomics, ADA compliance, and a wide array of useful accessories!

Spectrum also has the capability to outfit your campus esports furniture in our Expressions colors to promote your team identity! Want a custom or team logo on your classroom esports furniture? We can do that too. No matter your budget or requirements, Spectrum has your Esports furniture solution.

Features and Benefits

- Available in 60" and 84" wide versions
- Accommodates multiple display mounting options
- The rear worksurface can be assembled level with the front worksurface or set 2" lower for recessed monitors or lowered monitor arms.
- The front/rear worksurface assembly can be adjusted from 28-31"
- Twin wheel casters for easy mobility (2 locking, 2 non-locking)
- Audience side can support a large monitor or optional logo panel
- Scratch and impact-resistant high-pressure laminate worksurface
- Grommets throughout unit provide easy cord access
- Pre-drilled monitor mounting holes
- User-friendly, bullnose radiused front edge on worksurface
- Black and Steel Mesh laminates minimize glare and player distraction
- Color accents match chairs and arena / team branding
- Optional VESA mount provides flat panel monitor mounting in recessed worksurface
- Optional monitor mount provides ability to install a large audience-side flat panel monitor
- Optional logo panel is easily swappable for different teams or competitions
- Optional tray provides CPU tower storage under worksurface
- Optional LED lighting kit provides custom backlighting options for corner columns
- Unit ships "knocked-down" for lower shipping costs and can be easily assembled at the final location
- Warranted to be free of all defects in materials and workmanship for 10 years
- Designed and assembled in Chippewa Falls, WI, USA

Color Options

See p.3 and spectrumfurniture.com for complete color information.

Ordering Instructions

Spectrum has designed this product to receive the useful options shown here. To ensure your options are ordered correctly please call 1-800-235-1262.

Construction

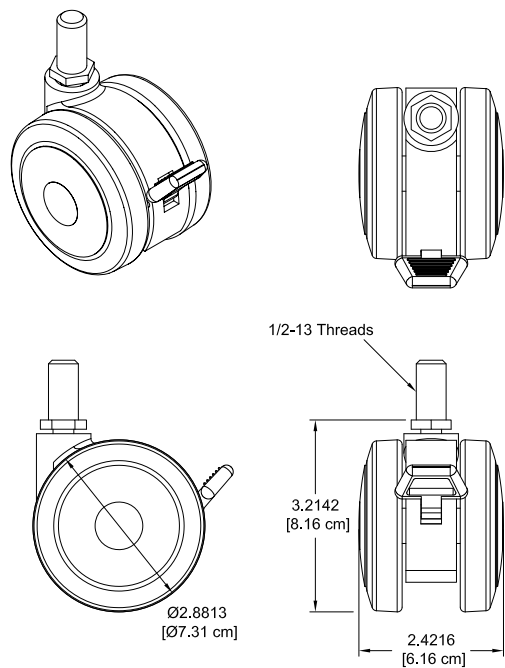

- The worksurfaces are constructed from 1" thick NAF (no added formaldehyde) composite board with .030" [.762mm] high-pressure laminate on one face, and a balancing backer on the opposing face
- Worksurface edges are covered with vinyl edgeband
- All metal components are finished with a scratch-resistant powder coat epoxy
- All units are shipped knocked-down (KD) in 3 boxes and require assembly
